The Bowl of Hygeia award program was originally developed by the A. H. Robins Company to recognize pharmacists across the nation for outstanding service to their communities. Selected through their respective professional pharmacy associations, each of these dedicated individuals has made uniquely personal contributions to a strong, healthy community. We offer our congratulations and thanks for their high example. The American Pharmacists Association Foundation, the National Alliance of State Pharmacy Associations and the state pharmacy associations have assumed responsibility for continuing this prestigious recognition program. All former recipients are encouraged to maintain their linkage to the Bowl of Hygeia by emailing current contact information to [awards@naspa.us](mailto:awards@naspa.us). The Bowl of Hygeia is on display in the APhA Awards Gallery located in Washington, DC.

**Boehringer Ingelheim is proud to be the Premier Supporter of the Bowl of Hygeia program.**
