

Sponsor a Student Golfer!

As you may know, the New Mexico Pharmacy Wholesalers' Invitational Golf Tournament has raised thousands of dollars over the years to support pharmacy student scholarships at the University of New Mexico College of Pharmacy. This could never have been possible without the support of people like you, and because of this, we would like to invite you to sponsor a student player for this year's tournament on Friday, June 22nd at the Isleta Golf Course.

Your gift of \$100 will enable a current student pharmacist to not only play in the tournament, but network with people within our pharmacy community. These contacts are crucial for students, as they transition into the profession. In turn, your gift will go towards providing financial support for other pharmacy students to reach their goals.

With over 3,300 alumni, a professional doctoral program (PharmD), MS and PhD programs in pharmaceutical sciences, and postgraduate opportunities, the College has positioned itself as a leader in the nation. It is developing new models of patient care, conducting cutting edge research, and providing outreach into communities to improve the health of New Mexicans. The College is preparing the next generation pharmacists, educators and scientists whose leadership, dedication and innovation improve the health of our local and global communities.

If you have any questions, please contact Julie Weston at jweston@nmpharmacy.org or at (505)265-8729. You may also make your payment online at <https://www.nmpharmacy.org/event-2740613?CalendarViewType=1&SelectedDate=6/16/2018>.

Thank you for your consideration,

Donald A. Godwin, PhD
Dean and Associate Professor
UNM College of Pharmacy

Dale Tinker
Executive Director
New Mexico Pharmacists Association
