

NALOXONE REVERSES THE DEADLY EFFECTS OF AN OPIOID OVERDOSE.

Now that ALL pharmacists in New Mexico can prescribe and dispense naloxone, you might be wondering:

- How do I build this service into my busy workflow?
- How do I encourage my patients to get naloxone?
- What role can my technicians play?
- Where should I buy naloxone and the MAD devices?
- How do I bill Medicaid?
- Where do I start?

We can help!

With funding from the Behavior Health Services Division in New Mexico, the pharmacists at Southwest CARE Center have developed onsite training for you and your staff along with FREE educational and advertising materials for your pharmacy.

Call us today to schedule an onsite training visit where we will teach you how to utilize the state-wide standing order to fill & dispense naloxone, educate patients, and advertise for this important service.

2 hours of FREE live Continuing Education for pharmacists and technicians!

For more information or to schedule an onsite visit, call Kate Morton at **505-989-8154**.

YOU CAN BE PART OF THE SOLUTION.
